

How do I declare my major in Economics?

1. Fill out a Declaration of Major form and have it signed by any of the Economics advisors. The advisors have the forms in their office. A list of our advisors and their walk-in office hours can be found at: <http://www.economics.northwestern.edu/undergraduate/advising/hours.html>. Be aware that this department does not assign you an advisor, which means you can go to any advisor at any time.
2. After the Declaration of Major form is signed by one of our advisors, bring the bottom blue copy to the Economics Undergraduate Office, 2211 Campus Drive, Room 3293 and take the top copy to the Weinberg Undergraduate Studies and Advising Office, 1922 Sheridan Road.

FYI: The table below can be a handy guide for planning out your classes over the coming years. A more detailed description of the requirements for an Economics major can be found on the web at: <http://www.economics.northwestern.edu/undergraduate/degree/major.html>

Indicate below the quarter in which you took or plan to take the required CORE courses in the economics major, and indicate the grade you received in courses already taken:

<i>Required core courses</i>	<i>Course name</i>	<i>Quarter taken or to be taken</i>
Econ 201:	Intro to Macroeconomics	
Econ 202:	Intro to Microeconomics	
Econ 281:	Intro to Applied Econometrics*	
Econ 310-1:	Intermediate Microeconomics I	
Econ 310-2:	Intermediate Microeconomics II	
Econ 311:	Intermediate Macroeconomics	

* The Economics 281 requirement will be waived if you take Economics 381-1 as a field course.

In addition to the core classes, you must complete six economics FIELD classes at the 300-level. Indicate below any 300-level fields that you have taken and any you would hope to take.

<i>300-level econ classes</i>	<i>Course name</i>	<i>Quarter taken or to be taken</i>
1.		
2.		
3.		
4.		
5.		
6.		

Continued . . .

You are also required to complete five courses in related areas, i.e., other social sciences (anthropology, history, political science, psychology, sociology) or mathematics and statistics. Two of these must be Math 220 and Statistics 210 / Mathematics 314 or their equivalents. Any combination of three additional courses in the indicated departments is acceptable, *but no more than one course may be at the 100-level*. Courses offered to meet Weinberg College of Arts and Sciences distribution requirements may be counted as related courses. (Relevant AP credits accepted by Northwestern fulfill can related classes.) **Indicate below the five courses you expect to take or have taken (give quarter and grade) to fulfill the RELATED course requirement:**

	<i>Related Courses</i>	<i>Quarter taken or to be taken</i>
1.	Math 220 (or state equivalent)	
2.	Stat 210 / Math 314 (or state equivalent)	
3.		
4.		
5.		

Summarize your current progress and future plans by showing in the following four-year schedule the courses you hope to take to fulfill your major requirements: Please include your core courses, 300-level economics field classes, and related courses. Place an asterisk in front of those already completed:

<i>Year</i>	Fall	Winter	Spring	Summer
First Year				
Sophomore				
Junior				
Senior
