Important Notes

- Economics will accept IEMS 303 and IEMS 304 in place of Stat 210 and Econ 281. IEMS will not accept Stat 210 and Econ 281.
- Economics will accept IEMS 373 in place of a 300-level field course. IEMS 373 counts as an IE/OR elective for the IE major.
- Double counting of IEMS 304 and IEMS 373 should be noted on the petition to graduate, filled out at the end of junior year: <https://www.registrar.northwestern.edu/registration-graduation/registration-graduation-forms.html#graduation>
- IEMS students who wish to minor in Economics can double-count IEMS 304 or 373.
- Grade Requirement: All core, elective, and related courses used toward the Economics major must be taken for a letter grade (not P/N) and must be passed with a grade of C- or higher.
